WAYS TO LISTEN

Digital Audio Broadcast (DAB)

You can catch the crystal clear sounds of Asian Sound Radio wherever you are in the North of England via your DAB Radios. Whether this is in the car, at home or at work, you'll catch the live transmission all day every day with no interruptions.

Amplitude Modulation (AM)

If you're out and about in the car, or at home, you can listen to Asian Sound Radio on its Medium Wave lengths within the catchment area. For in and around Manchester you can tune in via 1377 AM and Lancashire you can listen on 963 AM.

Radio Player Online

Wherever you are in the whole wide world our website offers you to 'LISTEN NOW' via the Radio Player. You can hear the live broadcast 24 hours a day 7 days a week on your computers, phones and tablets via www.asiansoundradio.com

Mobile Application

The latest and 'on the go' way of listening to YOUR number one Asian station is via Asian Sound Radio Official Application on smart phones and tablets. Just download the app from any Apple or Android Store and listen to your favourite shows wherever you are in the world.
